An INTELLORICEM reporter cane on James McCormick at Joseph Gardner's boarding house in Benwood last evening. McCormick was resting easy, though he said he felt pretty sore alkout the back, legs and arms. Both arms are cut slightly, and his left leg is scraped. He said that he felt that the scafold was insecure and worked cautiously. A piece of sheeting had been drawn up, and the men who should have taken it seemed unable to handle it, and he went to their assistance. Just as he stepped on the same part of the scafold with them, it all went down. He was stooping over, and fell head foremost, but his peck struch a brace and turned him over. He slag said that Ross, the colored man, fell on an oil barrel which was under the scafold, and knopked the head out of it. It was the edge of the barrel that broke Ross' thigh.

British Grain Trade.
LONDON, Dec. 15.—The Mark Lane Express, in its weekly review of the British grain trade, says: English wheats are depressed under the abundance of the supplies, and the mild weather. In London prices declined 10d. The sales of English wheats during the past week were 91,222 quarters at 30s 2d, against 50,054 quarters at 20s 10d during the corresponding week last year. Flour is weak. Foreign wheats are becoming firmer, owing to decreasing reserve. Corn quotation have relaxed under liberal American shipments. The prices of barloy and rye are against buyers.

WHAT IS SCROFULA

It is that impurity in the blood, which, ac-cumulating in the glands of the neck, pro-duces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, can-cerous growths, or the many other manifestacerous growths, or the many other manifesta-tions usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have falled, has often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from secrotia, be sure to try Hood's Sarsaparilla. "My daughter Mary was afflicted with serofulous seers neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them after growing to the size of a piscen's egg, became a running sore for over three years. We gave her Hood's Barsaparilla, when the lump and all indications of serofuls entirely disappeared, and now she seems to be a beakly ethid." J. S. Carller, Mauright, N. J. M. B. Be sure to get only
